

Follingsby **MAX**

SKILLS & EMPLOYMENT REPORT

The outcomes and outputs delivered as part of the FollingsbyMAX development by the team so far

**A1M
HIGH**

PROGRESSION INTO EMPLOYMENT

So far the team on Follingsby MAX have not only delivered but exceeded their goal of offering progression into employment for residents taking the total to 8 people.

More than doubling the target they wanted to achieve

WORK EXPERIENCE & APPRENTICESHIPS

The team have successfully created 1 apprenticeship and offered 2 work placements for those residents over the age of 18 in the area.

POSITIVE PARTNERSHIPS

The development team have worked closely with New Durham College in relation to site visits and industry talks, which has resulted in 2 workshops being delivered on site to HNC and HND students during this phase of the project.

Nearly 70% of the overall target for delivery has been reached so far

TOTAL WORKFORCE ENGAGED SO FAR

Since the project went live in late August 2018, GMI Construction have engaged 15 sub-contractors during the enabling works. This has resulted in a total workforce of 160 individual tradespeople.

BUILD TO SUIT OPPORTUNITIES UP TO
2.5 MILLION SQ. FT
